Well-presented and clear nameplates and signs can play an important part in creating the right first impression whether in a commercial organisation or large institution. Abbey Nameplates can supply from stock or custom-make a wide choice of nameplates, signs and associated items all precision-crafted using modern manufacturing methods.

Customers can select the type of material used to suit the image they need to project. Abbey Nameplates are just as happy to work with traditional materials such as Mahogany as they are to work with modern plastics and aluminium. The company aims to provide a service that is easy to use, efficient and economic.

As well as nameplates, Abbey Nameplates can provide the full range of items associated with signs. Other items include:

Illuminated signs for external use on shopfronts, club fascias etc. Lapel badges for conferences, exhibitions and large institutions. Desk and counter stands with removable nameplates. Nameplate holders for doors and counter-screens. Magnetic signs and self-adhesive stickers for cars and vans. Individual self-adhesive letters and numerals for window displays. Rubber stamps for administration purposes.

## Nameplates

Nameplates can be custom-made in plastic, aluminium, brass, bronze or stainless steel in all sizes. Depending on the material selected, a wide choice of finishes, colours and typestyles can be supplied. In addition, there are standard plastic plates available in a choice of sizes.

Plaques in Cast bronze, Slate and Stone.

New Braille and Tactile signs.

## Custom-made Plates
